02 Eligibility

Applicants are eligible to apply only if they meet all of the following requirements (nationality, language proficiency, and degree):

1. Nationality: Applicants whose parents and themselves hold foreign nationality

Nationality	The applicant or either parent holds dual nationality including Korean citizenship. • Either parent has acquired Korean nationality through naturalization as of the application date. • In unavoidable cases where it is difficult to submit both parents' documents due to divorce, remarriage, separation, or death, the applicant must submit official supporting documents issued by a government or public institution (e.g., divorce certificate — divorce agreement in the case of Chinese nationals, single-parent certificate, death certificate, etc.). ※ If there are any special circumstances related to family relations or nationality (e.g., divorce, remarriage, unmarried status, death, disappearance, acquisition of Korean nationality), the applicant is required to submit official documents as proof
-------------	--

2. Language Proficiency: The applicant must submit one of the following options:

Choose one	1. TOPIK level 3 above or King Se-jong institute Intermediate 2 above (Division of Arts, Sports: TOPIK level 2 or higher)
	2. TOEFL 530 (CBT 197, iBT 71), IELTS 5.5, CEFR B2, or TEPS 600 (NEW TEPS 326) or higher. * Applicants who hold nationality from a country where English is the native or official language (e.g., the United States, United Kingdom, Canada, Australia, New Zealand, South Africa, Ireland) may substitute proof of higher education completion (e.g., graduation certificate) instead.
	3. Completion of the university's intermediate-level Korean language course (Intermediate 2) or higher.
	4. Achievement of TOPIK Level 3 or higher in the CSU Korean Language Proficiency Test (TOPIK).
	5. Submission of a "Confirmation of Academic Capability" written by the Academic advisor (※ Attachment #5).

※ Official language test scores are valid for two years from the test date, and only scores within the validity period as of the document submission deadline will be accepted.

– If there is no expiration date, scores up to 2 years from the test date will be considered valid.

3. Degree

Degree	• Master’s and Integrated Master’s–Ph.D. Applicants ❶ Those who have obtained a bachelor’s degree from a domestic or overseas accredited university, or are expected to obtain one by August 2026. ❷ Those recognized by relevant laws as having academic qualifications equivalent to a bachelor’s degree.
	• Ph.D. Applicants ❶ Those who have obtained a master’s degree from a domestic or overseas accredited graduate school, or are expected to obtain one by August 2026. ❷ Those recognized by relevant laws as having academic qualifications equivalent to a master’s degree.

※ Final successful applicants must submit the original translated and notarized copy of their final diploma, verified by a consulate or with an Apostille, by the registration period. Failure to do so will result in the inability to issue the standard admission letter and may lead to cancellation of admission.

※ Any matters not specified above will be subject to the interpretation of the Office of International Affairs, Chosun University.

- 5. Graduation Requirements: Graduation is based on meeting the above criteria and passing the thesis evaluation.

** Please check with the graduate school office for specific graduation requirements as they may vary by department.*

6. Eligibility for Master's Thesis Exemption

※ The recognition of a non-thesis master's degree may differ depending on the country.

- 1) Application Process: Submit a Master's Thesis Exemption Application.
- 2) Submission Period: Announced before the start of the semester for current
 - students (Master's: 4th semester, Integrated Master and Doctorate: 3rd semester).
- 3) Eligibility for Application:
 - Completion of required credits and courses for 4 or more semesters
 - Completion of "Thesis Supervision" and "Research Ethics and Thesis Writing" courses, as well as common compulsory courses
 - Accumulation of 33 or more credits (**Additional 9 major credits required**)
 - Passing the foreign language exam and comprehensive exam, with a cumulative GPA of 3.0 or higher

7. National Health Insurance

※ All international students are required to meet the mandatory obligation of enrolling in the national health insurance program.

- 1) Enrollment Date: Automatically enrolled upon completion of foreigner registration.
 - Enrollment is not possible until foreigner registration is completed. Therefore, it is recommended to consider separate insurance coverage if you plan to use medical services or for safety reasons before registration is completed.
- 2) Monthly Payment Amount: KRW 77,000
 - The above amount is based on the 2025 rate and may be subject to future adjustments.
 - Foreign students studying abroad are eligible for a reduction in national health insurance benefits.
- 3) Payment Method: Invoice issued to your place of residence. Confirm the amount and account number on the invoice before making the payment.

11 Dormitory

1. New students have the option to either reside in the dormitory or outside (choice made during application and cannot be changed later).
2. Dormitory residents are required to undergo a mandatory health examination, and individuals with infectious diseases or mental health conditions may face eviction.
3. [Submission of a <Tuberculosis Diagnosis Certificate> before admission](#)
 - A copy of the tuberculosis diagnosis certificate (in English) from the health examination results submitted during the visa application is also acceptable.
4. Dormitory Information

13 Important Notes ★★★★★

Application Guidelines

- 01 Complete all required information online and submit physical documents by mail or in person before the application deadline.
- 02 Verify eligibility, chosen department, and dormitory preference accurately; changes are not allowed after the deadline (changes in the applied department are allowed during the application period).
- 03 Consult with the advisor to accurately fill in the department name and course (master's/doctorate/integrated master–doctorate).
- 04 If applying for multiple programs within the same application period, only the last application will be considered; all others will be canceled.
- 05 Provide personal email and phone number; any misinformation or using others' information will be the applicant's responsibility.
- 06 Scan and upload the original Korean/English document (other languages must be translated and notarized in Korean) when submitting online. Mail or visit to submit physical documents, including the online application.
- 07 Failure to submit required documents within the specified period after completing online application results in disqualification.
- 08 If submitting a copy, the original document must be submitted within the deadline; any discrepancies may lead to disadvantages.
- 09 Inquiries about confirmation of mailed documents arrival are not accepted.
- 10 Language scores are valid only until the application period (tests without a specified validity period are considered valid for 2 years from the test date).
- 11 Applicants who submitted a graduation certificate at the time of application (graduates of domestic universities) must submit the original degree or graduation certificate to the Office of International Cooperation by August 21, 2026; failure to do so will result in admission cancellation.

Notes for Applicants

- 01 If an expected graduate fails to obtain the specified degree before the admission date, admission will be denied.
- 02 If an expected graduate is accepted, the original final graduation certificate (apostille/consular confirmation required) must be submitted; failure to submit will result in admission cancellation.
- 03 Failure to submit all required application documents (including language proficiency scores) within the deadline results in disqualification.
- 04 Submission of false documents, false information, or confirmation of insufficient academic qualifications (unauthorized universities in the respective country) leads to disqualification and admission cancellation.
- 05 Additional documents may be requested during the evaluation process; failure to submit mandatory documents leads to disqualification.
- 06 If there is a discrepancy between the documents and the information obtained through academic verification, admission cancellation may occur, and no final document supplementation is allowed.
- 07 Documents written in languages other than Korean or English must be accompanied by a notarized translation(original).
- 08 Information related to apostille/consular confirmation/academic network certification, etc., must be verified with the relevant institution before preparing application documents.
- 09 All submitted documents will not be returned, so applicants should prepare additional documents for future visa application.
- 10 For graduates of Overseas universities, the "Academic Verification Inquiry Form (Attachment#3)" should be verified by the responsible person at the university (or graduate school); not required for graduates of Korean universities.
- 11 Submit documents after obtaining approval from the advisor and include the advisor's opinion. If no advisor is selected, the advisor's opinion is not required. However, admission is canceled if no advisor is ultimately selected.
- 12 If a financial guarantor is the advisor, the advisor must submit the "① Research Performance (Expected) Confirmation Letter, ② Application for Financial Sponsorship by the University Headquarters" directly to the Office of International Affairs.
- 13 The "Standard Admission Permit" will be sent by mail only to applicants who have paid the tuition within the registration period; admission will be canceled if tuition is not paid.
- 14 Even if a standard admission permit is issued by the university, if the applicant does not obtain a student visa or does not extend/change the visa for the relevant country at the Korean embassy (consulate) or domestic immigration office within the specified period, admission will be canceled.
- 15 Among graduates of the university's undergraduate program, "Bachelor–Master Integrated Major" must be indicated on the admission application; any disadvantages due to omission or indication are the responsibility of the applicant.
- 16 The recruitment unit may change, and any changes will be announced later.
- 17 Matters not specified in the recruitment guidelines will apply the university's academic regulations; other matters will be determined by the university's graduate committee and the International affairs team.
- 18 These recruitment guidelines are written in Korean, English, and Chinese; in case of interpretation differences, the content written in Korean will be the standard.
